

MAINELY MEN 80

THE MAINE GATHERING FOR MEN

October 8-11, 2021

Who We Are

Mainely Men has been holding weekend gatherings for men twice a year since May 1981. Through meetings, workshops, ritual, music, discussion groups, food, sports, one-on-one conversations, films, shared work and lectures, we explore both traditional and changing views of masculinity as well as other issues we face as men.

We strive to provide a safe and open environment where we can tell our stories, clarify our goals for our careers, family and relationships and share our problems. We talk about health, jobs, our families, our significant others and children at levels that are not usually available to us in our daily lives. We develop trust and gain a stronger awareness of ourselves and others.

We welcome men of all ages 18 and over of all races, sexual orientations, economic levels and

men of any religion or none, from Maine and from away. At Mainely Men you can nurture and be nurtured, teach and be taught, heal and be healed, expand your limits and take risks. Mainely Men offers a supportive place to explore, recognize and celebrate our diversity as men and our uniqueness as individuals.

FACILITIES

Mainely Men meets at Pilgrim Lodge, a beautiful, secluded and rustic 100-acre setting in West Gardiner, Maine. Cabins sleeping 6-12 men extend along a scenic boardwalk by the shores of Cobbosseecontee Lake. All cabins have screened porches, bunks with mattresses, a woodstove, and bathrooms with hot water showers. The main lodge features large meeting rooms, a dining hall and kitchen, stone fireplaces, woodstoves, library and a porch with great views of the lake. The lodge and grounds are not totally barrier-free; please ask the registrar if you have questions about accessibility.

ACTIVITIES

All registrants will receive a weekend schedule by e-mail. Also, look for any last-minute updates which will be posted in the lodge.

Opening/Closing Circles: Through introductions and ceremony at opening circle you will learn about the theme of the weekend and get to know something about the other men. Closing circle is your opportunity to share what you've learned, say good-bye and network for on-going support in your home area.

Workshops: All workshops are led by participants; we encourage the involvement of any participant as a facilitator. Past workshops have included sweat lodges, divorced dads, photography, knife sharpening, political discussions, acappella singing, men's health issues and other topics related to men's lives. If you would like to lead a workshop please let us know on your registration form with a short description.

Affinity Groups: In addition to scheduled workshops, men often organize informal affinity groups. Past topics have included 12-step work, surviving abuse, hiking and bird watching. Meet wherever/ whenever you like.

Wall of Interests: This is an opportunity to bring something of interest to you that are passionate about when away from Mainely Men. It can be part of a collection, photos, sculpture or any item that would let the men know more about who you are. Please do not bring anything too fragile or valuable as these items will be on display throughout the weekend and we have no way of securing your items overnight. See the web site for more detail.

Entertainment: On the last evening of the gathering you are invited to a warm, hilarious, sometimes serious evening of entertainment. Any participant may

perform a short song, dance, story, skit, musical piece, poetry reading or anything of entertainment value. You are welcome just to sit and enjoy, but if you've never performed here's your chance; you are not likely to have a more receptive, appreciative or supportive audience. At intermission you can enjoy refreshments, take time out for conversation and meet the performers.

Music Jam/Dance: After the formal entertainment, men are invited to stay as long as they want for an informal night of drumming, music and dancing. We'll provide the space if you bring the music and instruments.
